OBSESSION:

What happens when your passion is unobtainable? A cautionary modern-day tale of unrequited love.

THE **H**OUSEKEEPER: Ellie's recently deceased employer was wildly eccentric. Even so, the conditions of his will still come as a great shock.

What is Renfern's number? This is a question he repeatedly asks on a journey that takes him on a fantasy tour that he can't leave — no matter how hard he tries.

OPENING **D**OORS:

There are some doors that should always be opened but we never want them opened for fear of what's inside.

GIVE **M**E **L**OVE:

An old house, a young couple and very little money. Be careful what you wish for, so they say.
